The 1985/86 fiscal year, covered by this report, was another historic milestone for the Ontario Arts Council.

In the previous year, the Council received a special supplement to its appropriation—then at a level of a little more than $18 million—of $3.1 million for special assistance to the province's five major performing arts institutions: the Canadian Opera Company, the National Ballet, the Toronto Symphony and the Shaw and Stratford Festivals. With this supplement, the Council was able to more than double its granting to these institutions, from $2,241,000 to $4,950,000.

This year, the OAC received two further major increments to its base funding, this time for small and medium-sized arts activities: a) $1 million announced by the previous government in April and b) $2 million from the present government in July.

Happily these increments resulted not only in restoring the Council's budget to the purchasing power it enjoyed in the mid-1970s, but also provided Council with its first growth funding in almost a decade.

The first two-thirds of the additional $3 million was distributed on a pro-rata basis to the budgets of Council's 10 granting offices, and their some 70 existing granting programs.

The final $1 million was used to set up a number of new program initiatives, including:

- five programs directed at increasing the accessibility of artistic resources to the school system;
- four programs directed at the career development of individual artists;
- two increases in individual artists' grants, including grants to crafts-persons;
- six programs intended to support arts organizations in developing their artistic product;
- a program for development of musical theatre, another to encourage critical writing on the arts in periodicals, and one to provide major assistance to established filmmakers.

As reported last year, the OAC is engaged in a massive evaluation of all its granting programs. This internal review project, scheduled for completion in 1987, will guide the Council in its allocation of resources to best serve the arts community of Ontario through the late 80's and 90's.

It has been my privilege to succeed Donald W. McGibbon in the Council's chair. Mr. McGibbon, who was first appointed to the Council in 1979, took over the chair in 1982, and ably guided the OAC through some of its most critical years, until his retirement in October, 1985.

L'exercice 1985-1986, visé par le présent rapport, a constitué un autre événement marquant dans l'histoire du Conseil des Arts de l'Ontario.

L'année dernière, le Conseil a reçu, en plus de ses crédits normaux (qui s'élevaient à ce moment-là à un peu plus de 18 millions de dollars), des crédits particuliers totalisant 3,1 millions de dollars aux fins d'aider plus spécialement les cinq grands organismes de la scène de la province : la "Canadian Opera Company", le "National Ballet", le "Toronto Symphony", et les festivals "Shaw" et "Stratford". Grâce à ces crédits additionnels, le Conseil a été en mesure de doubler les subventions qu'il accordait à ces organismes; celles-ci sont passées de 2 241 000 $ à 4 950 000 $.

Cette année, la base de financement du CAO a connu deux autres majorations importantes. Cette fois-ci, ces augmentations visaient les activités artistiques à une petite et à une moyenne échelle : a) 1 million de dollars, annoncé par l'ancien gouvernement en avril; b) 2 millions de dollars, annoncé par le gouvernement actuel en juillet.

Ces majorations ont non seulement permis au Conseil de bénéficier une fois de plus du pouvoir d'achat qui était le sien au milieu des années 1970, mais elles ont également constitué la première augmentation financière véritable en près de dix ans.

Deux de ces trois millions de dollars supplémentaires ont été répartis entre les 10 bureaux de subventions du CAO, au prorata de leurs budgets, et affectés aux 70 programmes de financement qu'ils administrent.

1 million de dollars a été affecté à la création de nouveaux programmes, notamment:

- 5 programmes visant à permettent au réseau scolaire d'avoir plus facilement accès à des ressources artistiques;
- 4 programmes relatifs au perfectionnement professionnel d'artistes;
- 2 augmentations en ce qui concerne les subventions aux artistes, y compris celles accordées aux artisans;
- 6 programmes visant à aider les organismes artistiques à mettre au point leur produit artistique;
- un programme visant à favoriser le théâtre musical, un autre en vue d'encourager la publication d'études critiques sur les arts dans les périodiques, et un autre visant à accorder une aide importante aux cinéastes reconnus.

Comme nous l'avons souligné l'an passé, le CAO a entrepris une évaluation globale de tous ses programmes de financement. Ce processus de révision interne, qui prendra vraisemblablement fin en 1987, guidera le Conseil dans l'affectation de ses ressources afin de mieux servir la communauté artistique de l'Ontario d'ici la fin des années 80 et pendant les années 90.

J'ai eu le grand honneur de remplacer Donald W. McGibbon à la présidence du Conseil. M. McGibbon, nommé au Conseil en 1979, en est devenu le président en 1982 et a su guider le CAO pendant certaines de ses années les plus difficiles, jusqué sa retraite en octobre 1985.

The Arts/Education Office of the Ontario Arts Council provides grants to encourage and support Ontario professional performing arts organizations to tour schools throughout the province; to encourage and support Ontario-based professional performing arts organizations and individual professional artists to develop artistic programs which enrich the school curriculum; to individual creative artists to undertake projects with students; and to playwrights to write and develop material for young audiences.

The Creative Artists in Schools program provides assistance for professional creative artists of all disciplines to work directly with students in the school setting; and the Artist in School and Community program extends this experience into the local community.

Le Bureau Arts/Éducation du Conseil des Arts de l'Ontario accorde des subventions pour soutenir les organisations de professionnels des arts scéniques et les encourager à faire des tournées dans les écoles de la province; pour soutenir les organisations de professionnels des arts scéniques et les artistes de la scéne installés en Ontario et pour les encourager à créer des spectacles qui enrichissent les programmes d'études des écoles; pour permettre aux artistes créateurs d'entreprendre des projets avec des élèves; et pour permettre aux auteurs dramatiques de créer et d'écrire pour de jeunes auditoires.

Le programme des Artistes créateurs dans les écoles fournit une aide aux professionnels de la création dans toute discipline artistique pour qu'ils travaillent directement avec les éléves dans le milieu scolaire; enfin, le programme de l'Artiste dans l'école et la communauté étend ce genre d'expérience à l'ensemble de la communauté locale.

The Community Arts Development Office of the Ontario Arts Council provides consultation, advice, encouragement and grants to regional and local arts councils, arts organizations, festivals and groups in Ontario communities to support the development of their local arts resources and needs; and provides similar services to craftsmen and native artists throughout the province. We work closely with the Regional Service Consultants of the Ministry of Citizenship and Culture.

The combination of the help of thousands of dedicated volunteers throughout the province and the financial assistance and encouragement of the OAC ensures that the arts flourish throughout Ontario's communities.

Il travaille en étroite collaboration avec les conseillers des services régionaux du ministère des Affaires civiques et cuturelles.

Conjugués avec le dévouement de milliers de bénévoles dans toute la province, l'aide financière et l'appui du CAO assurent l'épanouissement des arts dans les localités de tout l'Ontario.

The Dance Office of the Ontario Arts Council provides financial assistance and consultation to encourage the development of Canadian dance and dancers through support of Ontario-based professional, non-profit dance companies and service organizations, individual choreographers, dance training organizations, new dance works series, and mime and puppetry companies. Both classical and contemporary styles are reflected among the creative individuals and organizations within Ontario's dance community.

As the demand for dance continues to grow, Ontario citizens will also benefit from performance opportunities which the OAC helps to support.

Le Bureau de la danse du Conseil des Arts de l'Ontario dispense une aide financière et des consultations pour encourager le développement de la danse et des danseurs au Canada en soutenant les compagnies de danse et les organisations de service sans but lucratif, les chorégraphes, les organisations d'enseigement de la danse, les programmes d'oeuvres chorégraphiques nouvelles et les compagnies de mime et de marionnettes, qui font oeuvre professionnelle et sont installées en Ontario. Les styles tant classiques que contemporains sont représentés chez les créateurs et dans les organisations dont se composent les milieux de la danse en Ontario.

Comme la danse continue de connaître une faveur croissante, les habitants de la province profiteront de ce que le CAO contribue à rendre possible la réalisation de spectacles.

The Film, Photography and Video Office of the Ontario Arts Council provides grants to encourage the development of talented filmmakers, photographers, screenwriters, and video and electronic media artists. Non-profit organizations, festivals, seminars or professional development programs serving the needs of artists working in these disciplines also receive assistance.

Artists who use contemporary technologies as their media contribute greatly to our understanding and appreciation of a rapidly changing world. Public support of artistic explorations of these media has been growing, enabling Ontario artists to make substantial contributions to the development internationally of these forms, and providing Ontario citizens with expressions of their own contemporary cultural realities.

Le Bureau Film, Photographie et Vidéo du Conseil des Arts de l'Ontario accorde des subventions pour encourager les cinéastes, photographes, scénaristes et artistes de la vidéo et des médias électroniques à développer leurs talents. Les organisations sans but lucratif, les festivals, les colloques et les programmes de perfectionnement professionnel qui servent les besoins des artistes oeuvrant dans les disciplines précitées peuvent également bénéficier d'une aide.

Les artistes qui utilisent les technologies contemporaines comme mode d'expression contribuent grandement à nous faire comprendre et estimer les mutations rapides de notre monde. Comme le public manifeste un appui grandissant pour les explorations artistiques de ces médias, les artistes de l'Ontario ont la possibilité de contribuer de façon sensible au développement de ces formes artistiques sur le plan international et d'offrir aux résidents de l'Ontario des oeuvres exprimant des faits de la culture contemporaine.

Le Bureau franco-ontarien du Conseil des Arts de l'Ontario accorde des subventions pour encourager et soutenir des programmes visant à faire progresser les arts et les artistes en Ontario, à l'exemple des autres bureaux de CAO, mais en s'intéressant particuliérement aux besoins et aux possibilités de la communauté artistique franco-ontarienne. Cela comporte une aide aux organisations, notamment les théâtres, centres culturels, galeries d'art et maisons d'édition, de même qu'aux artistes du visuel, aux chansonniers, aux auteurs dramatiques et aux écrivains.

Où que ce soit dans la province, la culture franco-ontarienne est présente partout dans la communauté artistique ontarienne; ces programmes aident à donner accés à ce patrimoine culturel authentique.

The Franco-Ontarian Office of the Ontario Arts Council provides grants to encourage and support programs for the development of artists and the arts in Ontario paralleling those offered by the other offices of the OAC, but with particular emphasis on the needs and opportunities of the Franco-Ontarian artistic community. These include assistance to organizations such as theatres, cultural centres, art galleries, and publishing houses; and to visual artists, chansonniers, playwrights and writers.

Across the province, the Franco-Ontarian culture is reflected throughout Ontario's artistic community; and these programs help to provide access to this authentic cultural heritage.

The Literature Office of the Ontario Arts Council provides grants to encourage and support Ontario writers, poets, publishers, periodicals and literary organizations in the creation, publication, promotion and distribution of literature in Ontario. These grants contribute to our understanding of how we live, as well as to the literary arts themselves.

During the past twenty years, Canadian writing and publishing have grown dramatically, so that today we have a literary heritage that corresponds to the complexity of our national life.

Le Bureau de la littérature du Conseil des Arts de l'Ontario offre des subventions pour encourager et soutenir les écrivains, poètes, éditeurs, sociétés littéraires et les périodiques dans leurs activités de création, d'édition, de promotion et de distribution d'oeuvres littéraires en Ontario. Grâce à ces subventions, nous avons la possibilité de mieux comprendre comment nous vivons et de mieux appréhender l'art littéraire en soi.

Ces vingt dernières années, l'écriture et l'édition au Canada ont connu une croissance phénoménale, si bien que nous possédons maintenant un patrimoine littéraire qui ne dément pas la complexité de notre vie nationale.

The Music Office of the Ontario Arts Council provides grants to encourage the development of Canadian musicians and Canadian musical expression, with particular concern for Ontario artists and audiences; grants for the purpose of commissioning new music; and special awards for the performance of contemporary music.

Music is enjoyed in live performance in Ontario's concert halls , theatres, libraries, school gymnasiums, churches, shopping malls, museums and galleries. Increasingly, these performances are given by soloists, small ensembles, choirs and orchestras resident in Ontario. The Music Office encourages the development of excellence at all levels, and helps to ensure that our Canadian creative talent will have a voice in our rich musical environment.

Le Bureau de la musique du Conseil des Arts de l'Ontario accorde des subventions pour encourager le perfectionnement des musiciens canadiens et le développement de l'expression musicale au Canada, mais en s'attachant surtout aux artistes et aux auditoires en Ontario; pour commander des oeuvres musicales nouvelles; et pour des bourses spéciales en vue de l'exécution de pièces musicales contemporaines.

Le public a l'occasion d'entendre jouer les musiciens dans des salles de concert, des théâtres, des bibliothèques, des gymnases d'écoles, des églises, des centres commerciaux, des musées et des galeries d'art. De plus en plus, ces concerts sont donnés par des solistes, des petits ensembles, des choeurs et des orchestres résidant en Ontario. Le Bureau de la musique encourage l'accession à tous les paliers d'excellence et il aide à assurer que le talent créateur des Canadiens se fasse entendre dans notre milieu musical.

The Theatre Office of the Ontario Arts Council provides financial assistance and consultation to encourage and support the work of Ontario-based non-profit professional theatre companies.

The continuing development of regional theatre, and Toronto's recognized position as one of Canada's major entertainment centres, maintains theatre in a leadership position in the cultural life of Ontario. This growth provides Ontario citizens the rich opportunity to experience the work of Ontario theatre companies and playwrights.

Le Bureau du théâtre du Conseil des Arts de l'Ontario offre une aide financière et des consultations pour encourager et soutenir le travail des troupes de théâtre professionnel sans but lucratif installées en Ontario.

Grâce aux progrès constants du théâtre régional et à la situation incontestée de Toronto en tant que grand centre du spectacle au Canada, le théâtre occupe une place dominante dans la vie culturelle de l'Ontario. Cet essor procure aux habitants de l'Ontario une infinité d'occasions de découvrir les réalisations des troupes de théâtre et des auteurs dramatiques de l'Ontario.

PLUS ONE PROGRAM/ PROGRAMME "PLUS ONE"(14)

The Ontario Arts Council initiated the Plus One Program in order to provide assistance with increased costs associated with first-time productions of new Canadian plays by Ontario-based, non-profit theatre companies which receive operating grants from the Theatre Office of the Council. The aim of the program is to allow an increased rehearsal period that will benefit new plays beyond a "traditional" three-week period.

Ce programme veut indemniser les frais croissants de production d'oeuvres canadiennes presentées pour la première fois par des compagnies de théâtre ontariennes sans but lucratif qui reçoivent des subventions de fonctionnement du Bureau du théâtre du Conseil des Arts de l'Ontario. Le programme vise à augmenter le nombre de semaines de repetitions au-dela des trois semaines "traditionnelles", ce qui serait fort bénéfique aux productions de nouvelles oeuvres.

The Touring Office of the Ontario Arts Council helps bring together Ontario community sponsors and touring performers, to develop new touring opportunities for the performing arts throughout Ontario, and to provide Ontario citizens with opportunities to enjoy quality professional concerts in their own communities. The Office's touring consultants also provide Ontario communities with bilingual advice, guidance, professional counsel and on-the-spot help in all areas related to touring.

Community volunteer touring sponsors are the backbone of tour development in the province, and together with the OAC have assisted in presenting performances featuring more than 3,000 performers in close to 200 Ontario communities.

Le Bureau des Tournées du Conseil des Arts de l'Ontario aide à mettre en rapport les parrains locaux et les artistes réalisant des tournées, afin d'accroître les tournées de spectacles partout en Ontario et d'offrir à la populations de l'Ontario l'occasion de profiter de concerts professionnels de qualité dans leur propre localité. Les conseillers en tournée du Bureau des Tournées offrent également des services bilingues aux localités ontariennes pour les conseiller, les guider et les aider sur place pour tout ce qui concerne les tournées.

Les parrains bénévoles locaux constituent un pilier pour l'accroissement des tournées dans la province et, en conjonction avec le CAO, ils ont permis à plus de 3000 artistes de se produire dans quelque 200 localités de l'Ontario.

The Visual Arts Office of the Ontario Arts Council provides grants towards primary creation, exhibition and documentation services for artists and organizations, scholarship, training and criticism in the visual arts.

The individual professional artist is central to all that the Visual Arts Office does. The office's priority is to support those artists, and the organizations which are most involved in supporting them. Such assistance benefits not only the artists, but the cultural enrichment of Ontario and its citizens.

Le Bureau des arts plastiques du Conseil des Arts de l'Ontario offre des subventions pour la création première, l'exposition et les services de documentation à l'intention des artistes et organismes professionnels ainsi que pour l'analyse, la formation et la critique d'art dans ce domaine.

L'artiste professionnel individuel est au centre de tout ce qui fait le Bureau des arts plastiques. Le bureau a pour priorité de soutenir ces artistes, ainsi que les organismes qui s'occupent beaucoup de les appuyer. L'aide du bureau est bénéfique pour les artistes, mais elle profite tout autant à l'enrichissement culturel de l'Ontario et de sa population.

The Ontario Arts Council is involved with a variety of programs in addition to the awarding of grants. Some of these projects are administered through the appropriate discipline office, others are undertaken by general administration or information services. The Council also administers endowment funds. It consults regularly with advisors throughout the province in evaluating arts achievement.

Outre l'octroi de subventions, le Conseil des Arts de l'Ontario est également chargé de la mise en oeuvre de toute une gamme de programmes. Certains projets sont administrés par le bureau pertinent, d'autres le sont par les services administratifs ou d'information. Le Conseil administre également des fondations. Aux fins d'évaluer les réalisations artistiques, il consulte regulièrement des conseillers à travers la province.

To the Province of Ontario Council for the Arts and to the Minister of Citizenship and Culture

I have examined the balance sheet of the Province of Ontario Council for the Arts as at March 31, 1986 and the statement of income, expenditure and retained income for the year then ended. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the Council as at March 31, 1986 and the results of its operations for the year then ended in accordance with the accounting principles described in note 1 to the financial statements, applied on a basis consistent with that of the preceding year.

In accordance with section 11 of the Arts Council Act, a report on the audit has been made to the Council and to the Minister.

Au Conseil des Arts de la Province de l'Ontario et au Ministre des affaires civiques et culturelles

J'ai vérifié le bilan au 31 mars 1986 du Conseil des Arts de la Province de l'Ontario de même que l'état des résultats et des bénéfices non répartis pour la fin de l'exercice à cette même date. Ma vérification a été effectuée selon les normes de vérification généralement reconnues et a compris de tels tests et d'autres procédures que j'ai considérés nécessaires dans les circonstances.

A mon avis, ces états financiers présentent fidèlement la situation financiére du Conseil au 31 mars 1986 et les résultats de ses activités pour la fin de l'exercice à cette date-là, conformément aux principes comptables décrits à la note 1 aux états financiers et appliqués d'une manière compatible avec celle de l'exercice précédent.

Conformément à l'article 11 de la Loi sur le Conseil des Arts, un rapport sur la vérification a été présenté au Conseil et au Ministre.
